

To our loyal and valued customers,

This has been a challenging and uncertain time for everyone, and we would like to take this opportunity to thank you for your continued loyalty and support through these unprecedented times.

As many of you may know All Sports Heroes is deemed an essential business and has been serving our local heroes and First Responders such as Fire, Police, Ambulance and Hospital staff since the onset of the shutdown. We clean and sanitize multiple times throughout the day. We are following all guidelines set forth by the CDC in order to ensure the safety and health of our employees and customers.

Orders can be taken via email or phone with your current Sales Representative. If you do not know who that is you can contact us through the company web page at www.allsportsheroes.com and we can direct you to the proper person. We can also be reached on our Facebook page via messaging or you can call 978-452-1976 to speak to someone directly.

If you feel the need to visit our store in person we ask you to call and make an appointment with your Sales Representative in order to ensure we maintain social distancing and minimize the number of people in the showroom.

For customers that need to pick up their completed orders we are happy to bring them to your vehicle and process payments while you wait inside your car.

We value the safety and well being of all our customers and staff and will be happy to find a solution that works for all.

Please note that we have multiple vendors that are producing face masks in a multitude of patterns, materials and styles. Many of them can be customized to show support or place a logo on. We look forward to helping you support your business and family.

Be well and stay safe!

Management Team at All Sports Heroes
